RESOLUTION OF REF: TO ESTABLISH A HIRING FREEZE FOR HAWKINS COUNTY DEPARTMENTS AND OFFICES FUNDED FROM THE GENERAL FUND

WHEREAS, THE HAWKINS COUNTY COMMISSION acknowledges the increase in personnel cost require constant monitoring to ensure those cost do not outstrip incoming revenues available to the County to cover those cost; and

WHEREAS, THE HAWKINS COUNTY COMMISSION deems necessary, until further approval by County approved resolution, the implementation of a hiring freeze for the departments and offices funded from the General Fund; and

NOW, THEREFORE BE IT RESOLVED by the HAWKINS COUNTY COMMISSION that a hiring freeze for the departments and offices funded through the Hawkins County General Fund is hereby enacted within the following parameters:

When a Hawkins County employee compensated from the General Fund leaves employment with the County, the affected Department shall maintain a vacant position within the Department for a period of at least three (3) months. Before advertising and posting a position for new hire the department head must consult the Personnel Committee after the passage of two (2) months. The consulting of the Personnel Committee at the (2) month mark allows an additional month of discussion for preparation of approval from the County Commission to advertise for the vacated position. This does not limit the department head or elected official from management of the department's internal operations through movement of employees to positions within that department, including appointment of current employees to the position vacated by the departing employee, to insure the appropriate operation of the department, but does require that after internal movement occurs the position last vacated remain vacant and that no new employees are hired, pursuant to the terms of this Resolution; and
2. Any position funded by the Hawkins County General Fund which is now or hereafter becomes vacant pursuant to the terms stated in Paragraph 1 of this Resolution, shall remain vacant for a period of at least three months, unless the department or office receives the consent of the Hawkins County Commission to full the position sooner, and
3. Any position funded by the Hawkins County General Fund which is currently vacant and has been vacant for a period of at least six months from enacted date of this resolution will not be filled and allocated funding associated with that position is to be eliminated from the budget of effected department and returned to the General Fund;

4. Vacant positions pursuant to the terms stated in stated in Paragraph 1 of this Resolution may be filled if the affected department head or elected official has obtained the approval of the Hawkins County Commission to fill the position;

BE IT THEREFORE RESOLVED the Employee Hiring Freeze for Hawkins County's vacant employee position, funded from the General Fund, be approved upon passage of this resolution with the welfare of the citizens of Hawkins County prevailing.

RESOLUTION IN REF: INCREASE THE WHEEL TAX FROM \$27 TO \$67, AN INCREASE OF \$40, WITH THE INCREASE GOING TO GENERAL FUND

WHEREAS, the public has witnessed a significant shift in prime real estate properties to non-profit or local government ownership, areas of the county realizing a reduction in property valuations that coincide with the great recession, court mandated improvements to the jail, significant increases in local law enforcement personnel, cash on hand spent for needed infrastructure such as radio communication improvements, and

WHEREAS, the public deserves the right to an open knowledge of how and where their monetary contributions are expended, and

WHEREAS, a responsible vehicle operator residing in Hawkins County should also contribute to the funding of specific public safety assets deemed useful during such emergencies, and

THEREFORE, BE IT RESOLVED that the wheel tax on all motor-driven vehicles (including motorcycle and motor-driven bicycles and scooters) in Hawkins County be increased by the sum of Forty Dollars (\$40.00) per vehicle and that 75% of the increase be paid to the General Fund, and 25% to be allocated to a designated Public Safety Reserve, relieving the current funding revenue source used-for the following annual "contributions" to fund other general fund obligations.:

- C) Hawkins County Rescue Squad \$ 50,000; D) Hawkins County Humane Society \$ 25,000;
